Extract from Public (Political) Department file No. 2677/49.

States - Sandur - Merger - Taking over the administration of Departments.

Under instructions from the Government of India this Government took over the administration of Sandur State in July 1948. From then the administration of the State is being carried on by this Government in the name and on behalf of the Ruler. All matters relating to the administration of the State were being attended to in this department.

2. Now the Ruler of Sandur has signed the merger agreement agreeing to the merger of the State with the Indian Union with effect from 1-4-49. The Government of India have also issued a notification delegating to this Government under the Extra Provincial Jurisdiction Act, necessary powers for the governance of the merged area. The Government of India notification will be published in an extraordinary issue of the Fort St. George Gazette.

3. It has already been decided that in respect of the merged States the Departments of the Secretariat should attend to the matters (including the extension of laws) with which they are concerned - Vide Public (Political) U.O. Note No. 2971/48-2 dated 5-8-48. The Departments of the Secretariat may therefore be requested to take necessary action for the taking over the administration of the Departments in the Sandur State with which they are concerned by the concerned Heads of Departments of this Government.

4. As regards the extension of the laws in force in this Province to Sandur this Department have suggested in a note to be sent to Home Department that the laws in force in this Province need not be extended immediately and that pending the extension of the laws in force in this Province, the State laws may be retained and that orders may be issued retaining the existing State laws and judicial institutions. Orders in this regard will be issued in Home Department. It seems that to enable our Heads of Departments to take over the administration of the departments in the State and run them with reference to the State laws a formal authorisation by Government under the Extra Provincial Jurisdiction Act, 1947 will be necessary. Legal may be requested to advise.

A.F.N. Proposal (i) above. Extracts of paragraphs 1 to 4 of this department's note on pp. 123 and of Legal's note at B on page 3 above may be sent to all departments of the Secretariat (all sections) including Public for necessary action.

In the case of Pudukkottai and Banganapalle each notification was issued separately by the department concerned and the same procedure may be followed in the case of Sandur also. Each Act may

be/.

be examined separately and applied to Sandur in the orders of urgency with such modifications, adaptations or omissions as are necessary. There seems to be no special advantage in issuing a consolidated notification. On the other hand the consolidation work is likely to cause delay and complications. It might be necessary to extend some of the fiscal Acts immediately for administrative or other reasons and it seems unnecessary to delay such Acts for the sake of issuing an omnibus and consolidated notification. Such a notification with various modifications and saving clauses and schedules will also be inconveniently large and cumbersome. The departments may therefore examine each case and issue a consolidated notification in respect of all the Acts with which they are concerned as far as possible. Urgent and isolated cases may be dealt with separately.

XX

XX

I still think that for the reasons stated at page 1 ante it would be more convenient to leave it to the departments concerned to issue a consolidated notification in respect of all the Acts with which they are concerned. As all notifications will be scrutinised by Legal and as that department have recently circulated to all departments a model notification, uniformity in language may be expected.

U.O. Note No. 2905/49-2 Public (Political) dated 19-5-1949.

Extracts of notes Public (Political) Department file
bearing C.No. 2677/49.

The Departments of the Secretariat may be requested to
substitute the following extracts for those communicated with the
U.O. note of the same number and date as mentioned above:-

Now the Ruler of Sandur has signed the merger agreement
agreeing to the merger of the State with the Indian Union with
effect from 1-4-49. The Government of India have also issued a
notification delegating to this Government under the Extra-Provin-
cial Jurisdiction Act, necessary powers for the governance of the
merged area. The Government of India notification has already been
published in an extraordinary issue of the Fort St. George Gazette.

It has already been decided that in respect of the merged States
the Departments of the Secretariat should attend to the matters
(including the extension of laws) with which they are concerned -
vide Public (Political) U.O. Note No. 2971/48-2 dated 5-8-48. The
Departments of the Secretariat may therefore be requested to take
the necessary action for the taking over the administration of the
Departments in the Sandur State with which they are concerned by the
concerned Heads of Departments of this Government.

As regards the extension of the laws in force in this Province
to Sandur this Department have suggested that the laws in force in
this Province need not be extended immediately and that pending
extension of the laws in force in this Province, the State laws may
be retained and that orders may be issued retaining the existing
State laws and judicial institution. Orders in this regard will be
issued in Home Department. It seems that to enable our Heads of
Departments to take over the administration of the Departments in
the State and run them with reference to the State laws a formal
A. authorisation by the Government under the Extra Provincial Jurisdic-
tion Act, 1947 will be necessary. Legal may be requested to advise.

As regards the application of the laws in force in this Province,
both Provincial and Central to Sandur the Departments of the Secre-
tariat will have to take necessary action for the extension of Acts
with which they are concerned, bearing in mind the general instruc-
tions issued by the Government of India in their letter No. F.41(7).
IB/48 dated 25-2-48. Recently in connection with the application of
these laws to Pudukkottai and Bananapalle Legal Department expressed
the desirability of issuing a consolidated notification in the place
of the piecemeal notifications issued by the different Departments of
the Secretariat. Legal may be requested to consider the expediency
of asking the different Departments to send to them in due course
proposals for the extension of Acts with which they are concerned so
that a consolidated notification may be issued from Legal.

Legal may see for remarks.

 A above: This Department agrees with the view of the
 B. Public (Political) Department expressed here.

B ibid: The notifications in respect of Pudukkottai and Banganapalle extending the Central and Provincial Acts were issued by the administrative Departments concerned and in some cases by the Public (Political) Department. Before extending the Acts to those two States, heads of departments were consulted as regards modifications to be made in those Acts. Similarly, before extending particular Acts to Sandur it may be desirable, and even necessary, to consult heads of departments concerned and make modifications, if any, that may be required in the Act. This Department may, therefore, suggest that the notifications may be prepared by the administrative departments concerned and then sent to Public (Political) for consolidation and issue. Public will no doubt refer any legal point which may arise to this Department for advice, and also send the consolidated notification for scrutiny by this Department.

Public (Political) Deptt.

The proposals in this file relate to (i) the taking over the administration of Departments in Sandur by the Heads of Departments concerned and (ii) the extension of laws in force in this province to Sandur.

A.R.N. | Proposal (i) above. Extracts of paras 2 to 4 of this department's note above and of Legal's note at B above may be sent to all Departments of the Secretariat (all sections) including Public for necessary action.

Proposal (ii) above. Legal suggest that this department may collect proposals from the different departments of the Secretariat for the extension of laws to Sandur and then take necessary action for issuing a consolidated notification. It is submitted that if this work is to be undertaken in Public Deptt. then an additional upper division clerk will be required to deal with the subject. As previous proposals for sanction of additional staff for Public (Political) had to be dropped due to the objection of Finance department it is for consideration whether this work may be taken up by this department and the sanction of the post of an additional upper division clerk asked for or in the alternative whether the departments of the secretariat may be asked to issue a consolidated notification in respect of all the Acts with which they are concerned.

In the case of Pudukkottai and Banganapalle each notification was issued separately by the deptt. concerned and the same procedure may be followed in the case of Sandur also. Each Act may be examined separately and applied to Sandur in the orders of urgency with such modifications, adaptations or omissions as are necessary. There seems to be no special advantage in issuing a consolidated notification. On the other hand the consolidation work is likely to cause delay and complications. It might be necessary to extend some of the fiscal Acts immediately for administrative or other reasons and it seems unnecessary to delay such Acts for the sake

of issuing an omnibus and consolidated notification. Such a notification with various modifications and saving clauses and schedules will also be inconveniently large and cumbersome. The Departments may therefore examine each case and issue a consolidated notification in respect of all the Acts with which they are concerned as far as possible. Urgent and isolated cases may be dealt with separately. There will be no need for any additional staff of the above suggestion is accepted.

The difficulties and disadvantages of each Department issuing separate notifications have already been pointed out by this Department in another file. A copy of that note is placed at flag (V). This Department has no further remarks to offer.

If separate notifications are to be issued, apart from the difficulty pointed out in the note at 'V', there will also be the possibility of some of the Acts being omitted, each department thinking that it is not concerned with them, or of some of the Acts being extended by more than one department, one department not being aware of this extension by the other. It is for these various reasons that this department advised the issue of a single consolidated notification.

Public (Political) Deptt.

It appears from the Legal department note above that they reiterate their original proposal. If that is to be pursued additional staff is absolutely necessary. Public (Political) has already 4 upper division clerks and one Superintendent. If the additional upper division clerk is attached to Public (Political) the section has necessarily to be bifurcated. It is also submitted that the work in this file is not of an ordinary nature and the attention of a full time Superintendent is necessary for the subject. Submitted for orders.

A. I still think that for the reasons stated at page 5 ante it would be more convenient to leave it to the departments concerned to issue a consolidated notification in respect of all the Acts with which they are concerned. As all notifications will be scrutinised by Legal and as that department have recently circulated to all departments a model notification, uniformity in language may be expected. The possibility of some of the Acts being omitted can be avoided by checking the list of Acts extended by the departments. For orders whether in the circumstances the question of issuing a consolidated notification by Public (Political) may be dropped. If, however, it is considered that Public (Political) should/...
